Notice Regarding School Closure Days During Summer Vacation

We would like to express our sincere gratitude for your continued understanding and cooperation in promoting educational activities in Nakai Town schools.

Please be informed that Nakai Town elementary and junior high schools will observe school closure days (days when faculty and staff take summer leave and will not be working at the school) as detailed below. We appreciate your understanding and cooperation.

1. Objective

August is the summer vacation period for elementary and junior high schools in the town. By closing the schools during this time, we aim to promote energy-saving measures, enhance the health and well-being of our faculty and staff, and encourage them to take time off.

2. Period

Monday, August 10, 2026, and from Wednesday, August 12 to Friday, August 14, 2026

3. School Operations During the Closure Period

Since faculty and staff will not be present, regular school operations, as well as external services including telephone responses, will be suspended. In principle, club activities will also not be held, except in unavoidable circumstances such as participating in tournaments.

4. Emergency Contact Information

If you need to make contact in the event of an emergency, such as an accident or disaster during the closure days, please contact the Education Division of the Board of Education at 0465-81-3906. Please note that the same procedure applies during weekday nights, weekends, and public holidays. In the event of an emergency such as an accident or disaster during these times, please contact the Nakai Town Office at 0465-81-1111 (Main).
